

2ND QUARTER PROJECT QUESTION & HYPOTHESIS

Group member's names: _____

Testable question: (A sample question list is provided on the IPSH website in case you need some ideas to get your creative juices flowing. Keep in mind that your group should write an "honors quality" question.)

Why are you choosing this question to investigate? (Might it be beneficial to certain groups of people? Personal interest? Etc.)

Hypothesis: (keep in mind that the "If" and "then" portion of your hypothesis should reference your variables)

Provide a *labeled graph* that shows what your data may look like if that data ends up supporting your hypothesis:
