

DOWNLOADING AN ELECTRONIC COPY OF YOUR TEXTBOOK

Warning! Most of the cool online things (including the actual book) do not work on the iPad. They will, however, work on standard PC or Mac desktops and laptops. So, why bother doing this? Because the cool things that won't work on the iPad are really very cool! There are quizzes, tutorials, interactive figures, flashcards, etc. You may find some things that can help you learn! Follow the instructions below to get access to the online materials.

1. Register at www.pearsonschool.com/access
2. Your code(s) begin with the letters SE or SS
3. Click on Covered Titles to Select Discipline and Title (discipline: science, title: Hewitt, Conceptual Physical Science Explorations, 2e)
4. Choose Student Registration
5. Accept - Pearson License Agreement
6. Access Information -

* Enter or Create your username & password (write these down on the Tech Tips page of your notebook)

* Enter the appropriate access code below:

3rd Period: SSNASt-SWANK-SULCI-MEWED-CENTO-NJORD

5th Period: SSNASt-SHALL-SULCI-MEWED-JABOT-TOTES

7. Account Information - complete or verify your name & school information
8. Confirmation & Summary

At that point you will get an email confirmation. In that email confirmation will be the link to log-in from that point on.

Good luck and have fun!
